References AA, AL, and AR were cited in a communication from a foreign patent office in a counterpart application. References AA and AR are in English, so no further commentary is required. Reference AL is an international application that is in German. An English language translation of the abstract is provided, and a full translation will be produced for the Examiner upon request.

The above citation of prior art is not a representation that such art constitutes a complete or exhaustive listing of all pertinent prior art, nor that it necessarily includes the closest or most relevant art. The aforementioned citation comprises a voluntary citation of prior art of which applicant and his attorney are presently aware and is not intended to serve as a substitute for the Examiner's own search.
